It has been especially fun for TAD's tiger to follow the activities of the faculty this year, for he not only observed them in the classroom where they are experts in their particular fields, but he also saw them in after-school activities, which demand equal time and attention. After school TAD's tiger saw the faculty work long hours on such things as Deviltries, publications, and class plays. In the evening he attended the club meetings where faculty advisers help with a very important phase of DeVilbiss life. Yet with so much to do for school, the teachers found time to enjoy themselves with meeting and social events in the school, and in the community. TAD's tiger realizes that teachers are people of many interests and unlimited energy. The students of DeVilbiss are fortunate to have such a faculty and recognize the great contribution their teachers have made to them.

**Merritt C. Nauts**

TAD's tiger presents Mr. Merritt Nauts, our principal, as the one who made DeVilbiss what it is today. A man of many activities—his primary interest is DeVilbiss High School.

**The heads of the departments** are Mrs. Jeanette Brand, English; Ward Bricker, Business Education; Miss Fern Dickey, Science; Miss Lucille Kerlin, Social Studies; Miss Eva Samsen, Mathematics; Norman Stalker, Industrial Arts.

**The faculty officers** are Mrs. Blanche Luther, Vice President; Mr. Robert Longley, Secretary-Treasurer; Miss Margaret Hoffman, President.

**On Faculty Day**, Lynne Giles, Welfare Commissioner, pins a corsage on Miss Lucille Kerlin while Mr. Arthur Mills looks on.

TAD's tiger now presents to you the people who are such an important part of our school life. Refreshments are always served at the monthly meetings the faculty hold to discuss problems of teaching and exchange new ideas. Students pay tribute to them annually on Faculty Day. TAD's tiger says we should thank our teachers for their interest in us.

**A reception** was held for the visiting foreign teachers after their day at DeVilbiss.

**Mildred A. Pasch**

Miss Mildred Pasch, Counselor of Girls, provides firm but fair counsel. One always finds her willing to lend a helping hand.

**Russell G. C. Brown**

Mr. Russell Brown, Counselor of Boys, is the person that the boys can look upon as a good friend. His advice is always available to them.

**Irvin C. Conrad**

Mr. Irvin Conrad, Director of Classes and Curriculum, takes care of the many minute details of arranging classes and supervising scholarship tests.

**Robert E. Rettig**

Mr. Robert Rettig is our busy Director of Activities. Who can forget such a man? He's as much a part of DeVilbiss as our TAD's tiger is.

# Classes

TAD's tiger has been following the Freshman, Sophomore, Junior, and Senior classes to their classrooms since early fall, and he has also attended all dances, plays, and other class functions. TAD's tiger liked to attend the classes and watch students eagerly participate in class discussions and debates, solve difficult math problems, learn with fascination the mysteries of science, and study and interpret the works of great writers. He was proud to watch the many DeVilbiss students achieve high scholastic honors and public recognition. TAD's tiger was also proud of the support the students gave to their class projects. He knows that the daily classroom routine, the individuals in those classes, plus the class activities will constitute the precious memories that graduates will have in years to come.

The Juniors, enjoying a lofty feeling of assurance, burst into the multitude of school activities. The first project undertaken by the class was the "Hawaiian Holiday," the 1957 J-Hop. Two other very successful events were the Junior Boys' Mothers' Tea and the class play, "Men Are Like Streetcars." Everyone had an exciting time visiting Washington dur-

ing spring vacation. This year the trip also included a cruise down Chesapeake Bay and a visit to historic Williamsburg. To close the year, the "Junior-Senior Farewell" was held on the eve of graduation for the departing Seniors. TAD's Tiger congratulates the class of '58, for their successful year.

Dave Schafer (in center), moderator for the campaign speeches of the mock presidential election exchanges opinions back stage with Christine Pazos and Bruce Stevenson.

Entering wholeheartedly into their first year of student leadership, the Sophomores elected their class officers who were Gary Burget, President; Joan Strahm, Vice President; Sue Tanner, Secretary; and Jan Roe, Treasurer.

Under the guidance of their advisers and officers, the Sophomore Class continued throughout the year to maintain a co-operative spirit. This enthusiasm was noticeable by the support of the students for their annual dance, "Caribbean Cruise", held in April, and the way in which they upheld the high scholastic standard of the school.

All these achievements gave the Sophomores a great deal of pride and they are now looking forward to a prosperous new year as upper class men.

## Sophomore Class

The Sophomore Class officers are (L. to R.): **Sue Tanner**, Vice President; **Janice Roe**, Secretary; **Joan Strahm**, Treasurer; **Gary Burget**, President.

Sophomores prepare for their dance by making bids at a committee meeting.

The advisers for the Sophomore Class are **Miss Alice Perkins** and **Mr. Clark Folgate**.

Seven hundred and fifty new faces joined us here at DeVilbiss this year as Freshmen. The class of '60, under the advisership of Mr. Brown and Miss Pasch, embarked upon a successful high school career. The Frosh took part in every phase of student life by taking the lead on the

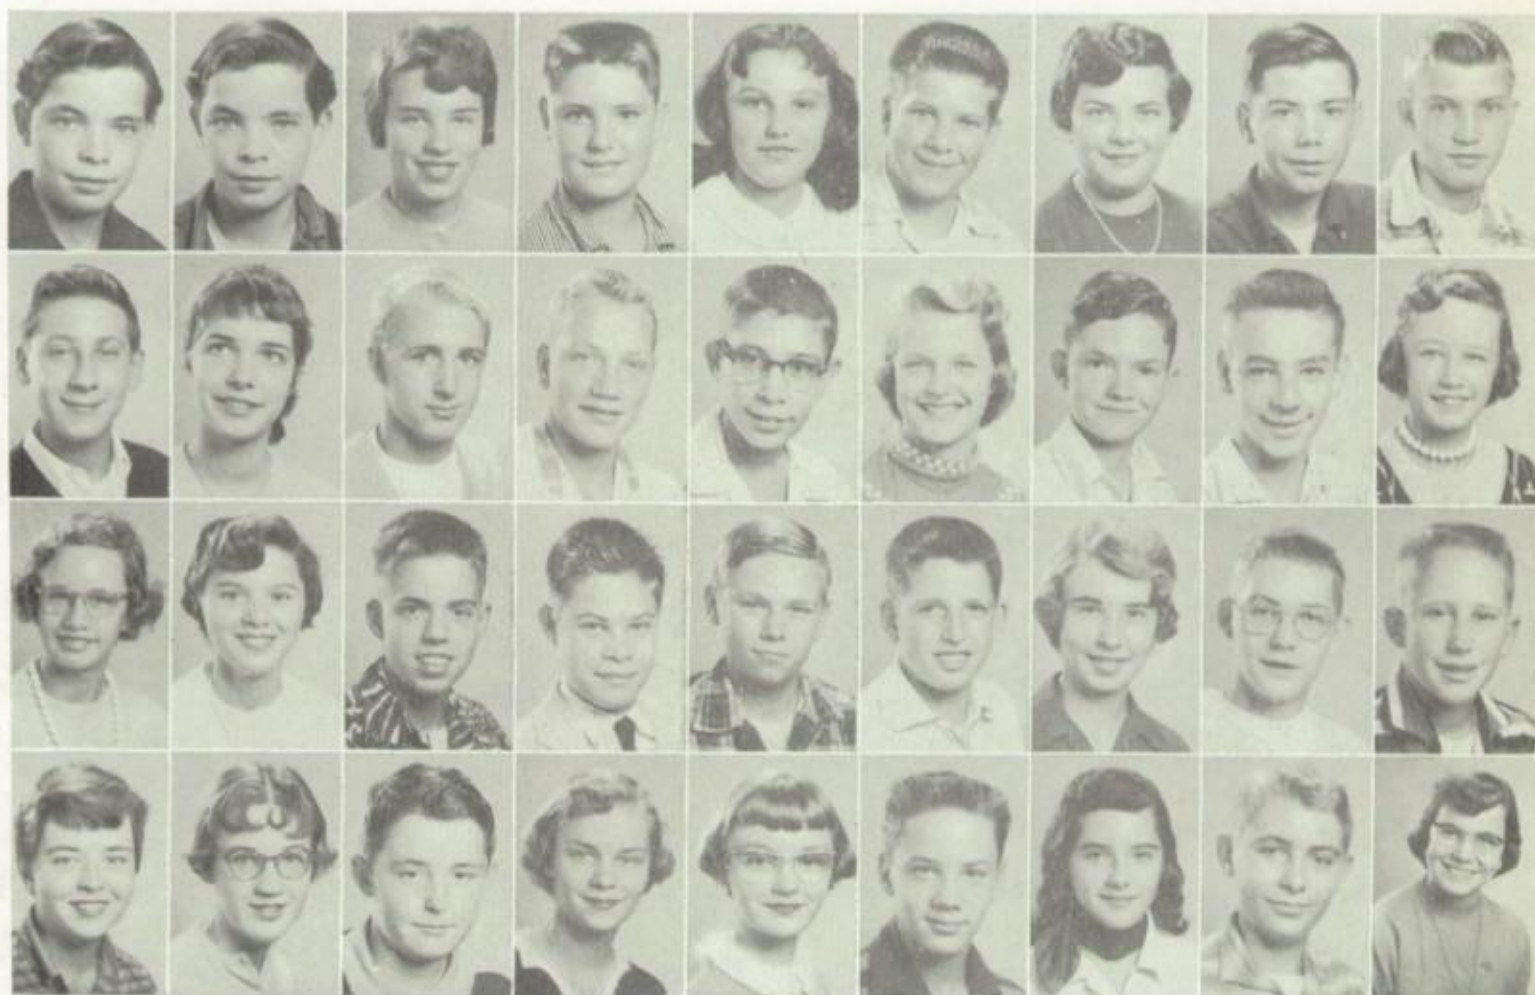

Honor Roll and participating in athletic and extracurricular activities. All of this, along with a tremendous school spirit shown at athletic events, indicates that the class has the determination, ability, and willingness to make an outstanding contribution to the school.

# Student Activities

When TAD's tiger began to look into student activities, he had difficulty in planning his day so that he would not miss anything. He had to run between the Pot O'Gold and the Prism rooms in order to keep up with last minute changes, as well as take pages of notes at Student Council meetings, and lend an ear to band, choir, and orchestra rehearsals. TAD's tiger enjoyed the theatrical productions where he could sit comfortably and share with the audience the result of many hours of work. Student Activities play a very important part in every student's life. These activities often inspire a person to enter a field of occupation or bring out talents that had not been developed. For someone with no particular ability, an activity means a place and a time to work and make new friends. Though the activities demand many hours after school, they also give to the student a feeling of pride and satisfaction for the work accomplished.

solve the problems confronting them. Along with holding the annual workshop for home room representatives and backing the area and school Student Council Dances, they also sponsored a polio drive as their main project. **Sue Habib**, our representative, won the title of Area Student Council Queen at the Area Student Council Dance. Her beauty and sparkling personality, combined with eagerness to work for tangible results in Student Council make her well deserve this honor.

## Honor Societies

"Masters of the Schoolrooms," this phrase could be used to describe the members of the National Honor Society. This body of students must achieve high scholastic and social standards in order to gain membership. Good character is also stressed and is evident in these students by their willingness to work and their fine relationships with others. The faculty of DeVilbiss High School select these students from the Junior and Senior classes and the new members are then inducted at a formal ceremony in the auditorium.

Two other societies which are highly respected in DeVilbiss for their fine work in the

fields of Dramatics and Journalism are Thespians and Quill and Scroll. These societies also require the most outstanding students in their particular fields for membership. Thespians, which was organized this year, picked the students who had taken part in dramatic productions. Quill and Scroll also chose its members from the students who showed their best efforts in the literary field.

The societies' purpose is to honor the students who excel in each respective field and to recognize scholarship and outstanding character in the high school student.

## Pot O' Gold

**Barbara Farkas** and **Mary Ann Diemer**, typists, go over this year's copy before it is typed.

In every corner of room 164, there is a group of students busily working. In the back, Anne Cofer has headquarters for the organizations section. In another corner, Sybil Sharpe and the business staff do their job of counting and recording all receipts and disbursements. The paneling section is always a busy place with Peter Bauer and Sandy Jones heading the job of "laying out" the yearbook. Other staff members work on copy, while Patti Dailey and the classes editors check name spellings. The dark-room is always occupied by one or more persons processing the very important pictures. TAD's tiger, when looking in on this busy scene, realizes how much work goes into the Pot O'Gold.

**Sybil Sharpe**, Business Manager, with **DiAnne Hamilton** and **Muriel Jones**, goes over the day's receipts brought in by solicitors.

**Anne Cofer**, Organizations Editor, with **Marie Taylor** and **Chris Pazos**, assistants, discusses the possibility of various club pictures.

**Phil Johnson**, Assistant Panel Editor, **Judy Wheeler**, Artist, and **Dick Haynes** go over drawings for this year's Pot O'Gold.

**Lee Strader**, Junior Class Editor; **Judy Elwell**, Senior Class Editor; **Donna Freer**, Sophomore Class Editor; **Jerry Mills**, Freshman Class Editor; and **Carol McKechnie**, Junior Class Editor, hold a conference with **Patti Dailey**, Classes Editor.

Faculty Editor **Julie Cole**, Athletics Editor **Dick Will**, and **Judy Bayha**, Student Activities Editor, examine pictures to be used in their sections.

# COLUMBIA SCHOLASTIC PRESS ASSOCIATION

POT O' GOLD

## HAS BEEN AWARDED THIS MEDALIST CERTIFICATE

IN THE TWENTY-SECOND ANNUAL YEARBOOK CRITIQUE AND  
CONTEST CONDUCTED BY THE ASSOCIATION AT COLUMBIA  
UNIVERSITY IN THE CITY OF NEW YORK, OCTOBER 12, 1956.

*James H. Murphy*  
DIRECTOR

E. A. WRIGHT COMPANY, PHILA.

## The Medalist Award

Achievement of the ultimate, rewarding recognition in any endeavor only comes through the constant and laborious effort of many over a period of time. The awarding of the Medalist rating for the 1956 anniversary edition of the Pot O'Gold by the Columbia Scholastic Press Association of Columbia University was one such example. From a beginning of sixty-four pages in 1932 to one hundred ninety-six pages and the twenty-fifth anniversary of Thomas A. DeVilbiss High School in 1956, one cannot help but envision the editors, business managers, and staffs who have contributed their thoughts and talents to make us now the thankful recipients of this honor. To them we extend our gratitude. Nor should we forget the advisers (all of them) who have worked over the years to keep our life's ideals and material standards ever high. And to the faculty and administration for the trust, patience, and encouragement they have shown over the years, we most humbly acknowledge our sense of obligation.

## Prism

Balancing the books are (standing) **Don Kaminsky**, Solicitor; **Tom Nischwitz**, Solicitor; and (sitting) **Nancy Voltz**, Solicitor; and **Betsy Pugh**, Posters.

Pasting the dummy are (standing) **Pam Becker**, News Writer; **Stan Krawetz**, Sports Writer; and **Toni Tucker**, Activities Page Assistant; (sitting) **Burton Kalniz**, Sports Writer; **Kathy Tesarik**, News Writer.

Reviewing the finished product are **Miss Rose Bloom**, Literary Adviser; **Prudy White**, Editor; and **Miss Elaine Hirth**, Business Adviser.

In The Literary Department it is write, write, and rewrite. This, says TAD's tiger, is a two weeks agenda. On the Tuesday that we students get the Prism, copy must be handed in for the next issue. After corrections are made all stories are sent to the printer on Friday. Two sets of galley's are returned next Wednesday. (Galley is a long column of type.) One set is used for proof-reading. The other is cut to fit the four pages of the newspaper. This paste-up is sent back to the printer again. The printing press rolls into action and off come two thousand Prisms.

Dave Stone, Advertising Manager; Dave Schafer, Publicity Manager; Sue Tobakos, Circulation Manager; and Gary Wengrow, Photographer, hang a poster to advertise the Prism.

Peeking into the Prism room, TAD's tiger sees much activity. In the Business Department some people solicit advertising from business firms in the area, while others collect subscription money from the students. Long columns of figures must be computed accurately. The Business Department is an important phase of Prism work.

Nancie Olen, Feature Writer; Peggy Smith, Feature Writer; Carol Fleck, News Page Assistant; and Bob Meyer, Sports Writer, are reading proof.

Drawing make-up are Harvey Weinman, News Page Editor; Beryl Ravin, Sports Page Editor; Dave Pugh, Managing Editor; Bobbie Yaffee, Activities Page Editor; and Sharon Knauf, Feature Page Editor.

## Orchestra

Close harmony comes with hours of practice.

Under the baton of Mr. Jack Tongring, the orchestra has taken part in many musical activities during the year. On February 28, the "Tad Philharmonic" entertained the student body with its fine music at the annual Midwinter concert. Then in the spring, they returned to the DeVilbiss auditorium to present their Spring concert. The date of this performance was May twentieth. In addition to entertaining the DeVilbiss students, the orchestra also partook in other forms of musical activities. For instance, exchange concerts were scheduled in which our orchestra went to other schools to play, and in return, those schools sent their orchestras to perform here. Mr. Tongring also planned to visit the grade schools whose students would attend DeVilbiss, to arouse interest among prospective members of future DeVilbiss orchestras. Mr. Tongring hopes that these efforts will maintain the high musical standards of past DeVilbiss orchestras.

Eight high-stepping majorettes prance down the football field twirling their silver batons. Never a miss, usually in step, they entertain the spectators during half-time. Pictured here are (L. to R.): Sandy Blanchard, Judy Suchomma, Gloria Kory, Carol Beck, Phil Barker (Drum Major), Sue Burt, Rosalie Smolinski, Dee Heywood, and Sue Ruby.

## Majorettes and Cheerleaders

Pictured here they are (L. to R.): Linda Radabaugh, Lynn Urwitz, Betsy Radunz, Louise Cox, Patsy Radunz, Linda Miley, Paula Fingerhuth.

## Junior Play

"Men are like street cars, if you miss one there'll be another one along soon." This was the philosophy set forth by this year's Junior Play, "Men Are Like Street Cars". Under the direction of Mr. J. N. Klee, with Marion Grover and Byron Dunham as co-chairmen, this three act comedy by Christopher Sergel was successfully presented by the class of '58 on April 13.

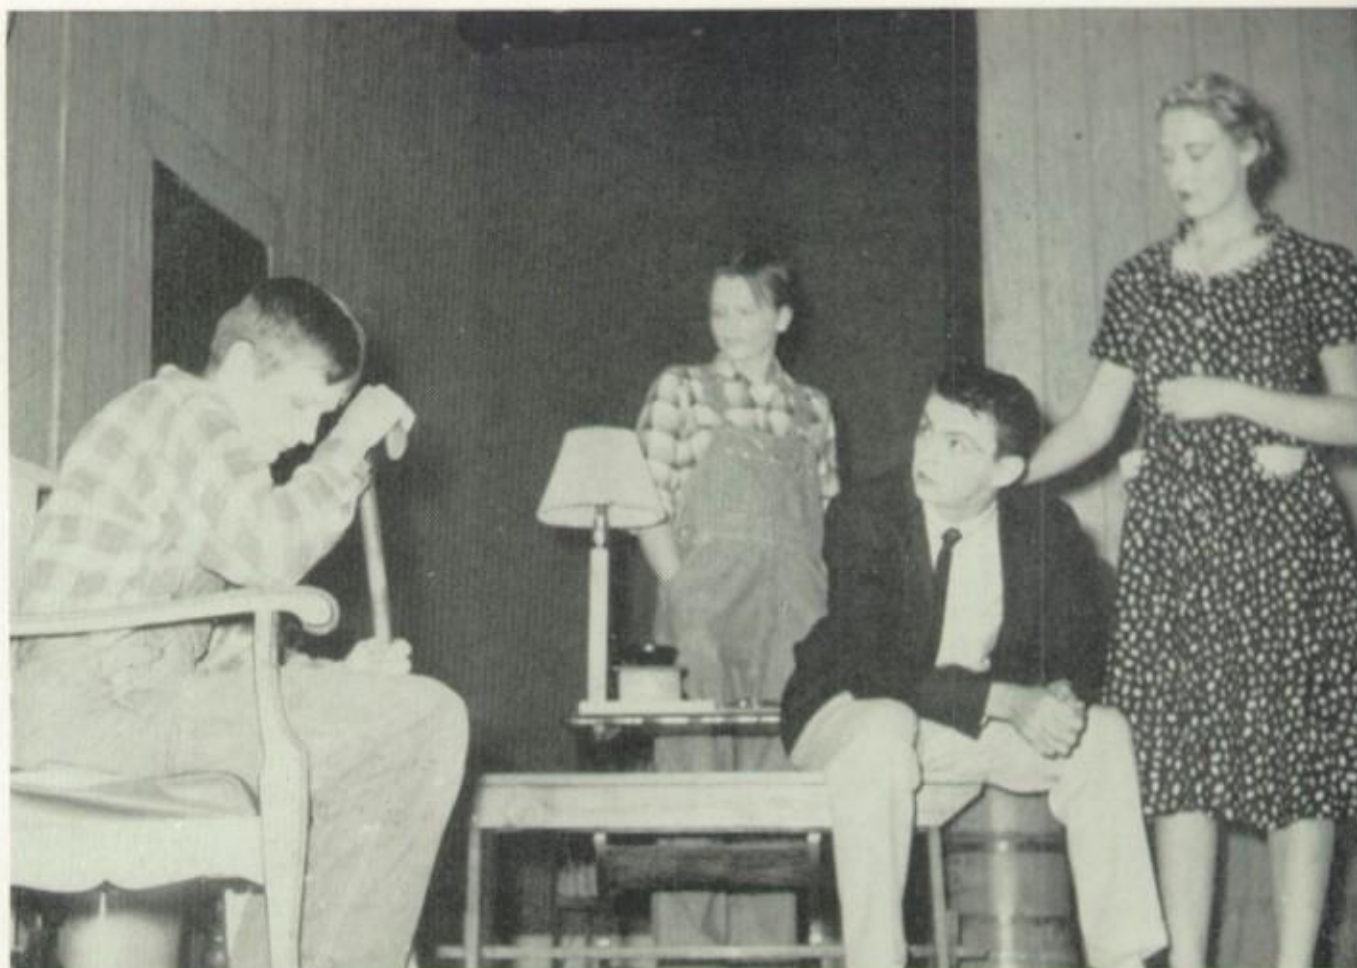

**Bill Sanzenbacher** and **Barbara Rutchow**, the parents, are very perturbed over their children's antics.

**Judy Schnelker** and **Gloria Rehkopf**, who played sisters in the play, are going over an important plan.

City-bred Mrs. Gage, played by **Janice Gilbert**, is horrified to see Mr. Rockwood, played by **Ronald Lindower**, bring one of his pigs into the living room.

## . . . "January Thaw"

As the house lights dimmed on the crowded auditorium the curtain rose on the comedy play, "January Thaw." In the wings actors shivered nervously, waiting for their cue to go on stage while the rest of the behind the scenes people crossed their fingers for a smooth performance. There was no need for all this apprehension since the Senior cast under the direction of J. Norman Klee played their parts to perfection and carried the audience into the world of make believe until the last line was spoken. When the curtain closed in the final act and applause greeted the players, the members of the cast forgot the long hours of rehearsal and the delayed homework assignments, for the show had provided the school with two performances of delightful entertainment.

**J. Norman Klee**, Director, sits on the stage during rehearsal to catch every action of the players.

## Student Participation in Community Life

As TAD's tiger was investigating around the Pot O'Gold room one day he came upon something new. He discovered the staff was starting a new section in the yearbook called, "Student Participation in Community Life." This section includes all the activities by students who in some way helped better our community. For example, TAD's tiger found the students out on the street corners selling newspapers to help the Old Newsboy's Drive raise money for certain charity organizations. One club washed car windows before election day to remind the citizens to vote.

Student participation in community affairs is an important part of education. It leads to making better citizens and arousing interest to make our community a better place in which to live. For the above reason the yearbook is recognizing those DeVilbiss students who did participate in community life.

**Jim Sieler** and **Rick Wall** were on hand as Student Council President **Ginny Sinclair** receives the All-City Sportsmanship Award.

**Jan Roe** and **Muriel Jones** represent a D.H.S. club as they clean car windows, leaving a sign hoping people will "see their way clear to vote."

It seemed an almost impossible task when TAD's tiger announced he would visit all organizations at DeVilbiss, but this he has done; and though his head swam with the numerous ideas, suggestions, and debates that took place at the meetings, he is positive he would not want them changed. There are different types of clubs at DeVilbiss. The special interest club, for instance, may supplement background information which is not offered in the classroom. The literary clubs are for people interested in gaining more knowledge in outstanding literary writings and musical compositions. The social and service clubs serve as a fine means for friends to gather and to help the school and the community through service projects. No matter what the club, there is a common purpose which is to help the students think, plan, organize, as well as make lasting friendships.

## Forum

"Forum Forever," says TAD's tiger. This is the name of their club song and Forum is proud of it because it was written by one of its members. Now in its fourth year, Forum has been a credit to DeVilbiss through its many service projects, even though it is primarily a literary society. The "friendly" rivalry between Forum and Quill and Dagger has become a tradition at DeVilbiss. Forum went Christmas caroling at

the crippled children's home, attended the Messiah Concert at the University of Michigan, and a jazz concert at the Peristyle. The alumni stag party, Father's Roast and Christmas party were also some of their projects. Forum is constantly striving to do better and is progressing rapidly. TAD's tiger closes by saying, "Good luck, Forum."

# Pericleans

"Pete ad finem—seek to the end," says TAD's tiger. Ambitious and enthusiastic, Peries have participated in many literary activities to give their members a better knowledge of the various literary fields. To attain this, the girls took a trip to Detroit to see Oklahoma, attended all the Repertoire Theatre plays, and at every meeting gave book reports. The high points of their social activities were a square dance, caroling at Christmastime, and hearing Louis Armstrong at the Art Museum. TAD's tiger says, "The Peries have truly promoted more interest this year in literature as well as furthering the welfare of the school."

Officers (L. to R.): Top Row: Judy Daso, Treasurer; Judy Elwell, Vice President; Row Two: Ednaearle Williams, I.C.C.; Sandy Middlesworth, President; Betsy Radunz, Secretary.

(L. to R.): Linda Connors, Janice Schroeder, Pam Becker, Miss Kerlin, Marilyn Scott, Ann Loudon and Carol Dwight are preparing for the induction of new members.

## Philetheans

"The Phils agree that the play's the thing;" explains TAD's tiger. The girls attended the Doerman Theater, took a trip to Detroit to see an outstanding movie, visited the Old Folks Home once every month to read to them, gave Christmas and Thanksgiving baskets to needy families, and went caroling at Toledo Hospital during the Christmas season. Aiming toward increasing literary interest at meetings, Phils gave book reviews and had various speakers on the subject of literature. Highlights on their social calendar were a delicious Jitney supper, a Mothers' and Daughters' Tea, and a sleepless slumber party. TAD's tiger reports to us that the play is still tops with Phils and they are eagerly awaiting next year's program.

**Officers** (L. to R.): Had Beatty, I.C.C.; Ron Sampsel, Vice-President; Craig Washing, President; Dave Pugh, Secretary; Dave Cobb, Treasurer.

"Hail, hail the gang's all here!" gayly sings TAD's tiger. A close, friendly atmosphere is present at all of the Q.D. meetings. This closeness and fellowship felt among the members has helped them in undertaking their many projects and social events. Among these were their New Year's Eve dance to help usher in the new year, the annual Q.D.-Forum dance in March, their book drive, attending jazz and other concerts, book reviews, skits at mass meetings, hay rides, picnics, and athletic contests with rival clubs. TAD's tiger tells us that they have helped greatly in attaining a spirit of friendly unity throughout the school.

So are they all . . . all honorable men," says TAD's tiger. You can always recognize a Delphian when you see him wearing his grey vest with its crest of the mountain of Delphi encircled with clouds and broken by a bolt of lightning. The goal of Delphian Literary Society is to provide an interest primarily in literature plus a balance of sports, service, and social life in order to promote better fellowship of members. The Delphian Literary Society is undergoing great progress. They annually present an award to the outstanding sophomore boy of the year, an event the Delphians are justly proud of. The literary activities of this club include historical readings, religious discussions, attending concerts, and having guest speakers such as Mitch Woodbury, Fred Mitchell, and Rudy Ertist. Although the Delphian Literary Society has been in existence only one year, TAD's tiger says it has progressed rapidly and is a credit to all of DeVilbiss High School.

## Thalians

"The play's the thing," says TAD's tiger. TAD is an honorary member of Thalian Literary Society and attending plays is one of the most important of their many activities. The plays they have seen this year were at the Repertoire and Toledo University. At their meetings they discuss these plays and also the books they have read. On the social agenda, the girls have had a slumber party, a box social with the Q.D.'s, and a progressive dinner. Money making projects have included selling shakers at the Thanksgiving Football Game and passing around a gypsy basket. TAD's tiger is sincere when he says that Thalians has proved that education and fun can go hand in hand.

## Zetaletheans

"My fair ladies," is TAD's tiger's boastful reply when questioned about the members of the Zetalethean Literary Society. This group of girls has proved very active once again this year. Giving a Christmas program for the entire school, a slumber party, a card party, attending plays and movies as a group and numbering the seats in the auditorium are proof of their variety of interesting projects. The time and hard work spent on their Christmas decoration proved fruitful when they were awarded second prize by the Inter-Club-Council. Literary reports are given at every bi-monthly meeting. To promote interest in literature while acquiring everlasting friendship is their purpose and TAD's tiger agrees wholeheartedly that they certainly have accomplished this.

**Officers:** Evelyn Hummon, President; Pam Pierce, Vice President; Sandra Williams, Secretary; Patricia Wilson, Treasurer; Susan Aikman, I.C.C.; Miss Eva Samsen, Adviser.

"The sweethearts of service," says TAD's tiger. If you could only see these busy bees going places, you would wonder what they will be like as Sophomore Y-Teens. This club has just been newly organized and has already been active in many school projects. They cleaned the library shelves, gave favors to the old folks home, donated comic books to the orphanage, and had a scavenger hunt. Freshman Y-Teens is open to any freshman girl interested in service to her school and community. TAD's tiger having been an honorary member of Y-Teens for a year has learned that service to others brings happiness multiplied.

**Officers:** Gary Kirkdall, President; Jim Kieser, Vice President; Tom Tice, Secretary; Don Purse, Treasurer; Dick Deros, I.C.C. Rep.

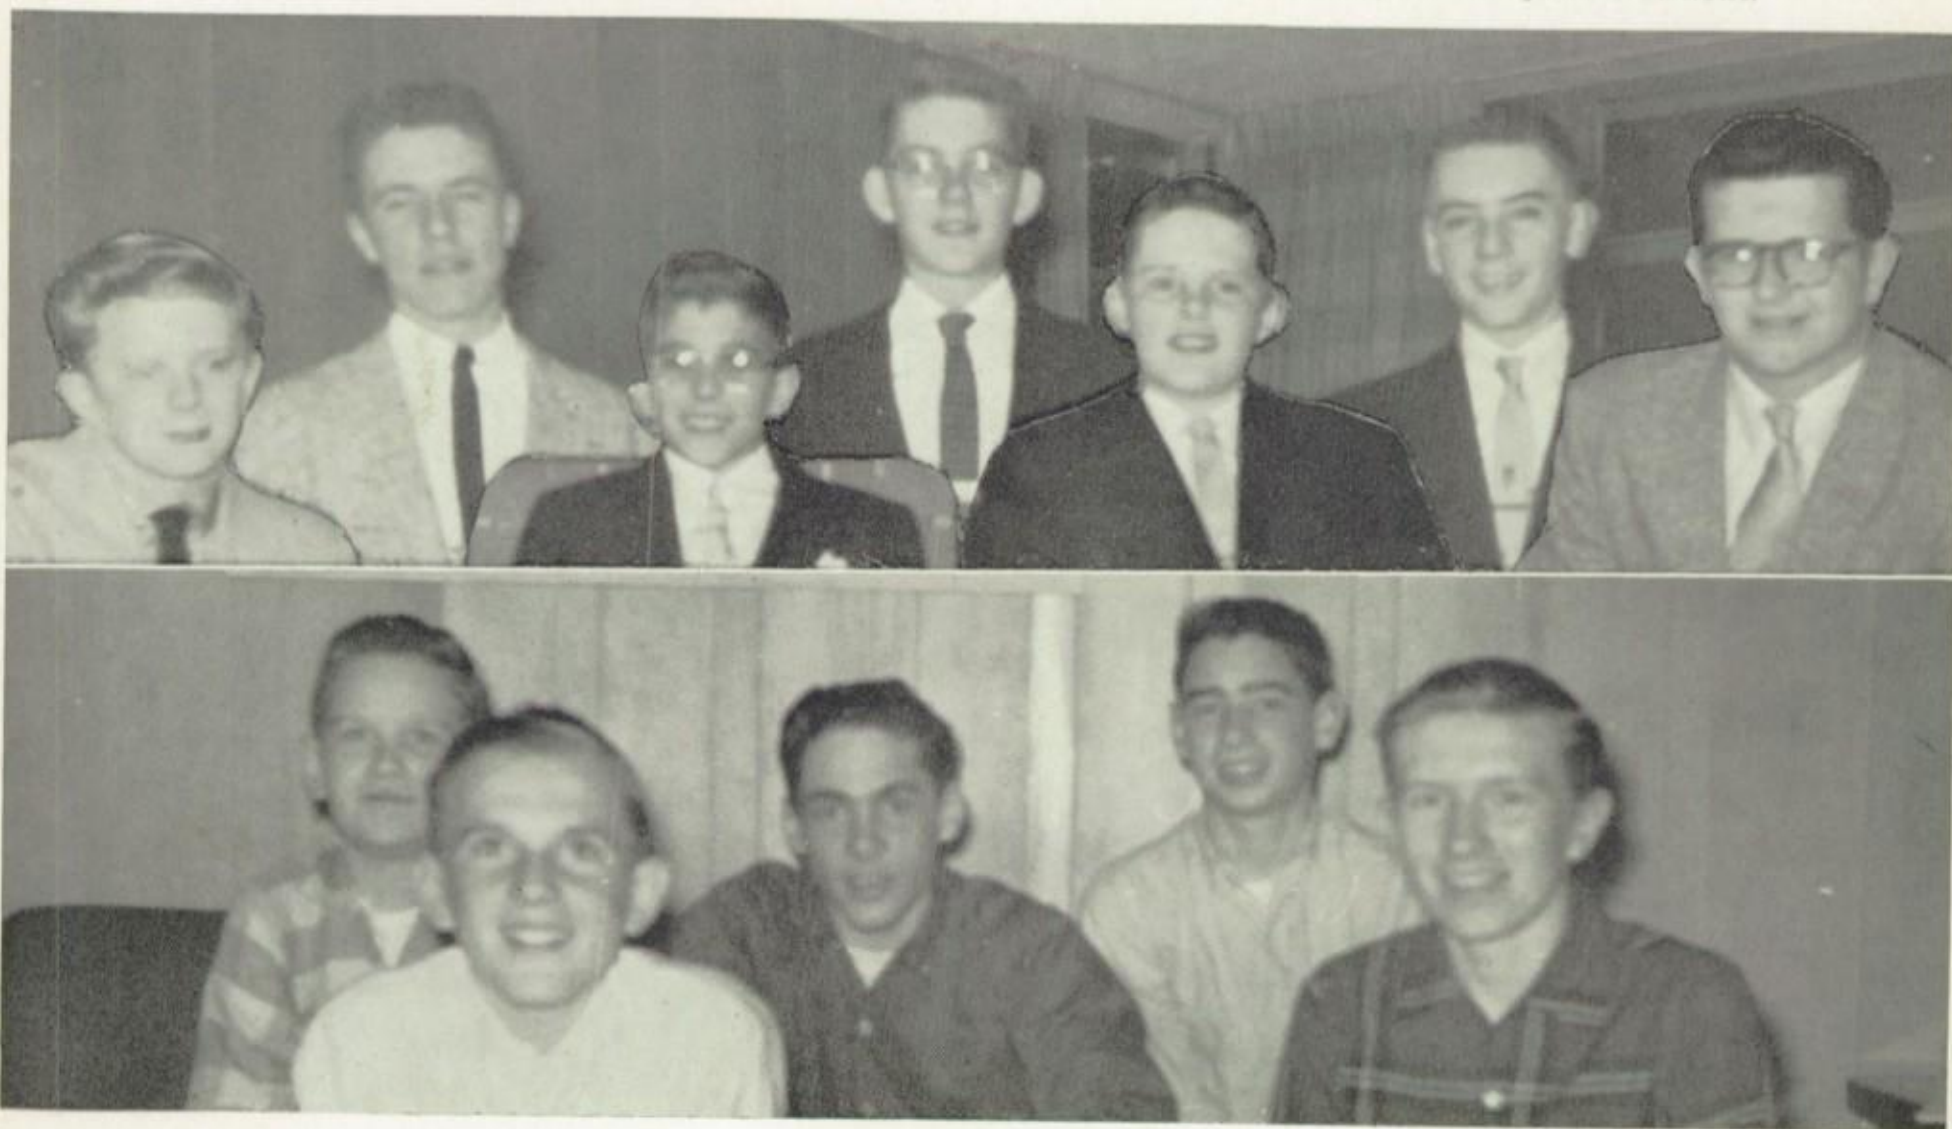

## Freshman Hi-Y

"Building lasting friendships and good character is the basis of the Freshman Hi-Y", says TAD's tiger. With this in mind these eager and energetic Frosh entered DeVilbiss. They settled right into the spirit and routine of working together and bettering themselves and the school. Meeting at the West Toledo YMCA every other Monday night the boys certainly carried out a full and busy year. Along with a social lineup of two dances and a splash party they also performed their part in community service by donating quite a sum to the Hungarian relief and by selling Christmas trees for the "Y". As one of their main projects the club toured Champion Spark Plug Company. TAD's tiger agrees that these young men of tomorrow have certainly fulfilled their purpose and are fine assets to their community and school.

## Sophomore Hi-Y

"Come on in. The water's fine," encourages TAD's tiger at the Sophomore Hi-Y's monthly swim. These swims are held after their meetings at seven-thirty on Monday evenings at the West Toledo YMCA. This year the boys had a lot of fun at their hayride and also on a weekend at Camp Storer cleaning up the camp. They also collected toys for the Christmas Cheer Fund. When the boys, as Freshman, organized their club, they chose as their purpose to help their members build better moral, spiritual, and physical bodies. TAD's tiger thinks the boys of the Sophomore Hi-Y have well fulfilled their purpose.

"Live not without a friend," quotes TAD's tiger in describing this club. In the past year Junior Y-Teens has been busy with activity which prompted fine cooperation among its members. Great enthusiasm was shown when the girls made leper shirts for the leper colonies and cancer pads for the American Cancer Society. Planning a party after a basketball game, a Christmas tea, and a caroling party with the Senior Y-Teens concluded their social highlights for the year. Y-Teens of '58 are part of the Y-Teen program at the Y.W.C.A. The girls start out in Freshman Y-Teens and progress up to Senior Y-Teens.

"To extend throughout the school and community high standards of Christian living" is the purpose of the Junior-Senior Hi-Y, according to TAD's tiger. The boys fulfilled their motto when they collected over fifty dollars on Halloween night for the needy children in Europe. To become a member of Junior-Senior Hi-Y a boy must have a "C" average and attend at least three meetings. The Hi-Y also sends representatives to the monthly meetings of the Hi-Y-Teen Council to work with representatives from area schools in planning city wide projects. As TAD's tiger observes, he sees that the boys have gained much satisfaction through their service projects and have enjoyed their social activities.

**Officers.** TOP ROW (L. to R.): Judy Hanham, Treasurer; Miss Elizabeth Papps, Adviser; Caroline Chorba, Secretary. BELOW: Nancy Lehnert, President; Sally Aikman, Vice President.

## Senior Y-Teens

"The most delicate, the most sensible of all pleasures, consists of promoting the pleasure of others," says TAD's tiger. As the end of four swiftly passing years come to a close, the members of Senior Y-Teens who have been together all these years, know that they have had much success. To start their year of activities, the girls held a tea at which they helped Freshman Y-Teens begin their new club. A Halloween party for an orphanage, a jitney supper, and selling DeVilbiss sweat shirts completed an eventful year. TAD's tiger tips his hat to these girls who have kept alive the purpose and the high aim upon which Y-Teens were founded and are held together.

"Service is their pledge to all, rich or poor; big or small," says TAD's tiger. Thadevileans aided patients of Muscular Dystrophy by collecting money in the Porchlight Parade; aided foreign university libraries by sending American magazines to them; and aided their fellow classmates by painting numbers on the stadium benches. Among other service projects, they gave a Thanksgiving basket to a needy family and donated money toward the new Tigerette uniforms. For a little relaxation Thadevileans had a Halloween party where the girls and their dates came dressed in costumes. They also sold DeVilbiss stationery to carry on their projects. TAD's tiger believes that Thadevileans had quite a successful year.

**Officers** (L. to R.): Mrs. Luther, Adviser; Joyce Dargan, Secretary; Jeanne Taylor, I.C.C.; Brenda Elton, Treasurer; Margery Polson, Vice President. **SEATED:** Sandy Harris, President.

## Vo-ee-theians

"The best things in life are free", admits TAD's tiger after a visit with the girls of Vo-ee-theians. Although it is primarily a social club they have contributed more than their share of service projects to the school this year. Their more important projects have included taking orphans Halloweening and having a roast for them, gathering clothes for missions, collecting pencils for UNICEF, and sending money to CARE. Their social calendar for the year included a formal dance, a slumber party, decorating the gym for the band mothers, and a very successful card party. This industrious group of girls has derived a great deal of pleasure through their many projects this past year. TAD's tiger closes by agreeing that Vo-ee-theians is certainly going places.

## Sisco

**Officers** (L. to R.): Rozalyn Warsaw, I.C.C.; Prudy White, Treasurer; Anne Cofer, Recording Secretary; Carol Emery, Corresponding Secretary; Kathy Tesarik, Vice-President; Linda Ogren, President.

"Sisters in cooperation," says TAD's tiger in telling what the word Sisco stands for. This club, having won the award last year for the best service club, is still trying to keep up the good record by having work meetings every other week. This year's projects have included making drapes for the athletic office, dusting every book in the library, taking twenty-one orphans out to lunch and a movie, organizing a traveling troupe, and making favors for the hospitals on each holiday. Highlights on their social calendar were a Christmas dance at the Copa Club, a Father's night pot-luck supper, a hayride at Pelton's Grove, and their annual Senior Banquet. TAD's tiger's biggest memory of Sisco was the endless hours spent in trying to get clothes to match those of his date's for their dance "Twin Twirl" last November.

## Pay-a-el-sa

"Giving rather than receiving . . . this is the motto of all Pay-a-el-sa members" says TAD's tiger. This year the girls tried something new by devoting each month to a particular phase of service. November being voting month, the members washed car windows reminding their owners that the windows were made clean so that they could see their way clear to the voting booths. Other service projects included caroling at the Crippled Children's Home, making a Veteran's scrapbook, and clothing and feeding a family at Christmas. With so many service projects, money is of course a necessity. So came the selling of light bulbs and the giving of a card party to provide this money. A slumber party, a turn-about-party, an annual spring dance, and a Senior Banquet rounded out their social schedule. To the fine service rendered their school and city, TAD's tiger tips his hat to this service club.

## Junior Sorelles

**Officers** (L. to R.): Sharon Tanner, Vice President; Karol Ludwig, I.C.C.; Judy Alsbaugh, Secretary; Emmie Jeffrey, President; Mrs. Norman Pollman, Adviser; Kathy Carey, Treasurer.

"Their hearts are young and gay" is what TAD's tiger thinks when he sees the Junior Sorelles. Besides being gay, the girls have worked on many projects which included an auction, a bake sale, and a salt-water-taffy sale. They also had a Mother and Daughter's supper, a slumber party, and a turn-about-date affair. The club was under the leadership of Emmy Jeffry for the first semester. Sharon Tanner finished second semester as President of the club when Emmy moved to Columbus. The twenty-nine members of Junior Sorelles meet on the second and fourth Tuesdays of every month in the member's homes. TAD's tiger tells us that Junior Sorelles has had a wonderful year and he assures us that next year will be just as profitable.

" 'S' is for our sisterhood, our sisterhood so dear," happily sings TAD's tiger at a Sorelles meeting. This is the first line to the club song which the girls composed themselves. The Senior Sorelles have tried to make their last year a memorable one by sponsoring many social and service activities. Highlighting these many activities was giving Christmas gifts and clothing to a needy family and ushering at the Senior Play. Their social activities included a splash party and an exciting treasure hunt. TAD's tiger could tell by the look on the girls' faces that they have had an exciting and profitable two years in Sorelles.

## Amica

**Officers** TOP ROW: Lois Reiling, Treasurer. ROW TWO: Pat Gaynor, Secretary; Louise Johnson, Vice President. ROW THREE: Sharon Knauf, President.

"Friendship is the password in this club!" boasts TAD's tiger. Amica, whose members are girls with a "C" average or better, has shown much pep and ambition working at their various social and service projects. At eight o'clock Thanksgiving morning, the girls braved the cold and snow to decorate the stadium for our Thanksgiving game. They also held a program, in which they told the story of Miss Pasch's life. Another service project that made the members feel very proud was giving Christmas and Thanksgiving baskets to needy families. TAD's tiger tells us that he is certain that friendship will always remain Amica's password.

**Officers** (L. to R.): Mr. Don Sharpe, Adviser; Sherrie Easley, Secretary; Barbara Miller, President; Judy Willard, Treasurer; Sharon Kaplan, I.C.C.; Dawn Patterson, Vice President.

## Debutantes

"These girls have kept 'as busy as bees,'" reports TAD's tiger. The Debutantes welcomed new members in September with a slumber party. Later in the fall everyone enjoyed a hayride through the country. To cheer up the orphans at St. Anthony's they sang carols at Christmastime. The girls also "babysat" for these orphans on Saturdays by taking them to a movie or visiting the zoo. TAD's tiger overheard that the Debutantes sold peanut brittle and sold baked goods door to door in order to increase their treasury. Bringing the year to a close, they went on a scavenger hunt in the spring. TAD's tiger believes the Debutantes have fulfilled their purpose quite well — of "joining girls in social friendship."

## Junior Frauleins

**Officers** (L. to R.): Ann Guerin, President; Mary-ann Stegeman, Vice President; Sandy Underwood, Secretary; Carol Gandee, Treasurer; Carol Kretz, I.C.C. Rep.

"'S Wonderful," says TAD's tiger, "being a member of this club." These girls get together every other Tuesday evening in the members' homes. Over "coke and chips" they make plans for activities such as their bowling party with Junior Sorelles and jitney suppers with Senior Frauleins. One of their service projects was the giving of a food basket to a needy family at Christmas time. The Frauleins earned money for their club by conducting a white elephant sale. Junior Frauleins, which is now in its fourth year, was organized to promote social service throughout the school. So TAD's tiger says, "Frohliche jahre," . . . translation . . . a successful year.

**Officers** (L. to R.): Arlene Borgelt, Secretary; Kay Miller, Vice President; Mr. Warren Goode, Adviser; Barbara Kressman, Treasurer; Sue Solomon, I.C.C. Rep.; Monda Kehle, President.

"Young at heart," says TAD's tiger, "describes these lasses." This club was organized in 1950 for the purpose of promoting friendly relations and to help create social activity in the school. Members must have a "C" average in their studies and have an active interest in the school and their club. After the induction of the Junior Frauleins, the seniors entertained them with a jitney supper. They also had a turn-about party and sold mums at our Libbey football game. Frauleins also made favors for hospital trays. TAD's tiger agrees that the girls have become better acquainted and have learned to take responsibility in carrying out their tasks.

## Sub-Debs

"How about you?" says TAD's tiger, "Wouldn't you like to be a Sub-Deb?" Established in 1945, the club has kept a high standard of character throughout its twelve years of organization. All of the members enjoyed the backwards progressive dinner, attending a basketball game together followed by a slumber party, and the pizza party. Also they had fun at their annual Senior Banquet, their Dad's and Daughters' Banquet, and the Mothers' Tea. In serving their community they donated a Christmas basket to a needy family and held a party for the orphans. TAD's tiger congratulates Sub-Debs for its fine work in helping to do a fine job in all their projects this past year.

## Les Femmes

"Sociable as kittens in a basket," says TAD's tiger, describing this friendly club. The purpose of the club, to promote better social relationship among its members, was carried out very effectively this year. Some of their social projects have included a sleepless slumber party, a Christmas party, and a delicious progressive dinner. Another enjoyable occasion was their white elephant sale. Members must have a "C" average and an interest in planning and supporting social affairs. Membership in this club has encouraged the girls to join more school activities and to become acquainted with their many classmates. TAD's tiger congratulates the girls on their active year.

## Talisman

Officers (L. to R.): Bill Thompson, Treasurer; Gil Siegel, Secretary; Tom Carroll, I.C.C. Rep.; Murray Todd, President; Dave McMurray, Vice President; Mr. Tom Inman, Adviser.

"Together we stand," says TAD's tiger of Talisman, a social club for boys. Their social activities for the year have consisted of a roast in November at Side Cut Park, a party at Dave McMurray's house, a party after their induction at the Y.M.C.A., and a hayride at Pelton's Grove last December. No one will ever forget getting all dressed up the night following Christmas to go to Talisman's annual dance, "Christmas in Blue." To finance these many fun-packed activities, the Talisman sponsored a very profitable paper sale and the selling of fire extinguishers to the general public. TAD's tiger agrees that Talisman has done a grand job this year in carrying out their purpose.

**Officers** (L. to R.): Judy Whitaker, President; Nancy Burkhalter, Vice President; Jean Donoho, Recording Secretary; Sharon Apling, Corresponding Secretary; Pat Burleigh, Treasurer; Sherrie Tafelski, I.C.C. Rep.

"Friendships are to be cherished," says TAD's tiger, "and the girls in Tri-D certainly know the meaning of this phrase." The close ties among the members have helped them considerably in completing a very successful year. No one will ever forget the exciting hayride in Pearson Park that crisp night last fall nor the delicious spaghetti supper early this spring. To finance these events the Tri-D's tackled many money making projects, such as their white elephant sale and a very profitable bake sale. TAD's tiger tells us what fun he had in Tri-D's this year and how proud it made him feel to be a part of a social group that also takes time to be a service to its school and community.

## Tri-D's

UPPER LEFT (L. to R.): Barbara Kotowicz, Carol Ross, Charlene Whitaker, Pat Foels, Pam Hawk, are planning a future social event. LOWER LEFT (L. to R.): Carolyn Kurtz and Pat Krieger are displaying the finished coat hangers. UPPER RIGHT (L. to R.):

TOP ROW (L. to R.): Sarah Gillespie, Maria Knowles, Mary Pocotte, Bev Whitmore, Lila Fox. ROW TWO: Judy Hollister, Mary Souther, Helen Vogen, Jackie Louy.

## Socialite

"And away they go," says TAD's tiger using a famous television expression to describe the activity of this new DeVilbiss club. Socialites, while only in their second year, won the "Little Brown Jug" for the best Christmas decorations. The club, composed of Freshman and Sophomore girls, has completed a full schedule of social and service projects. Tops on their social calendar was a come-as-you-are party in early February. Some of their many service projects included Christmas caroling at the Toledo State Hospital and selling DeVilbiss booster stickers. TAD's tiger, in closing, says that he hopes the club keeps up its fine work.

**Officers** (L. to R.): Sue Fisk, President; Lila Fox, Treasurer; Rosie Leake, I.C.C. Rep.; Janilyn Johansen, Secretary; Dee Snider, Vice President. **SEATED:** Mr. Clark Folgate, Adviser.

**Officers.** SEATED: Judy Temple. STANDING (L. to R.): Kay Sauter, Secretary; Sue Miller, Treasurer; Ann Lawrence, I.C.C. Rep.; Judy Powell, Vice President.

"Miss Gray take a letter," commands TAD's tiger. This phrase will be very familiar to the members of Commercial Club in a few years. The girls have started paving their ways into the business world by inviting many of the leaders of various industries in the Toledo area to speak at their meetings. Practice makes perfect and the members have been working hard learning their future occupation. Many of them have jobs at the Y.M.C.A. doing various kinds of secretarial work. But it's not all work because they have had fun at a slumber party, a roast for new members, a bake sale, a tour through the city jail, and a delicious progressive dinner. TAD's tiger knows that this club will keep helping its members to become acquainted with the business world so they will be able to enter it with self confidence and become a success.

## Family Living

**Officers,** TOP: Lois Gerwin, Treasurer; Monita Cole, Vice President; Roberta Yaffee, Secretary. BOTTOM: Cheryl Schafer, President.

"Just sweet old-fashioned girls", whistles TAD's tiger as he leaves a meeting of this club. The Family Living Club is open to any DeVilbiss senior interested in promoting better family relations. This is their main objective but a balance of fun and service also helped to round out a very fruitful year for them. The members of this club gave a Christmas party for the orphans of St. Anthony's Orphanage and later in the year took them to the zoo. They also have had guest speakers, social gatherings, and finished the year with a tour of the county jail. TAD's tiger agrees that in visiting the Family Living Club he has learned much and has had a lot of fun.

**Officers, BACK (L. to R.):** Bill Shaloff, Vice President; Miss Elaine Hirth, Adviser; Dave Maze, Treasurer. **FRONT:** Sandy Dickey, Secretary; Pat Sheldon, President; Billy Best, Secretary.

"The Lord is my shepherd, I shall not want . . . . these are familiar words to all Christian Youth Club members," says TAD's tiger. The club, interdenominational by nature, holds prayer meetings every Thursday afternoon at the close of school. The Christian Youth Club has helped its members by strengthening their belief in God and providing Christian experience. A few of the members plan to go into training after graduation for some kind of full time Christian service. The meetings include Bible reading and discussion, guest speakers, group singing, food, and fun. TAD's tiger is pleased that so many young people are interested in Christian youth.

LOWER LEFT (L. to R.): Sandra Wexler, Rhoda Weinman, Elin Rubin, Duane Ernst, Larry Roth. These members have been

chosen to take the defensive and the offensive in the next debate. LOWER RIGHT (L. to R.): Stanley Hausner, Mike Liber, Carole Akerman, Judy Leib. Discussing the qualities of a good debate is what this group is doing.

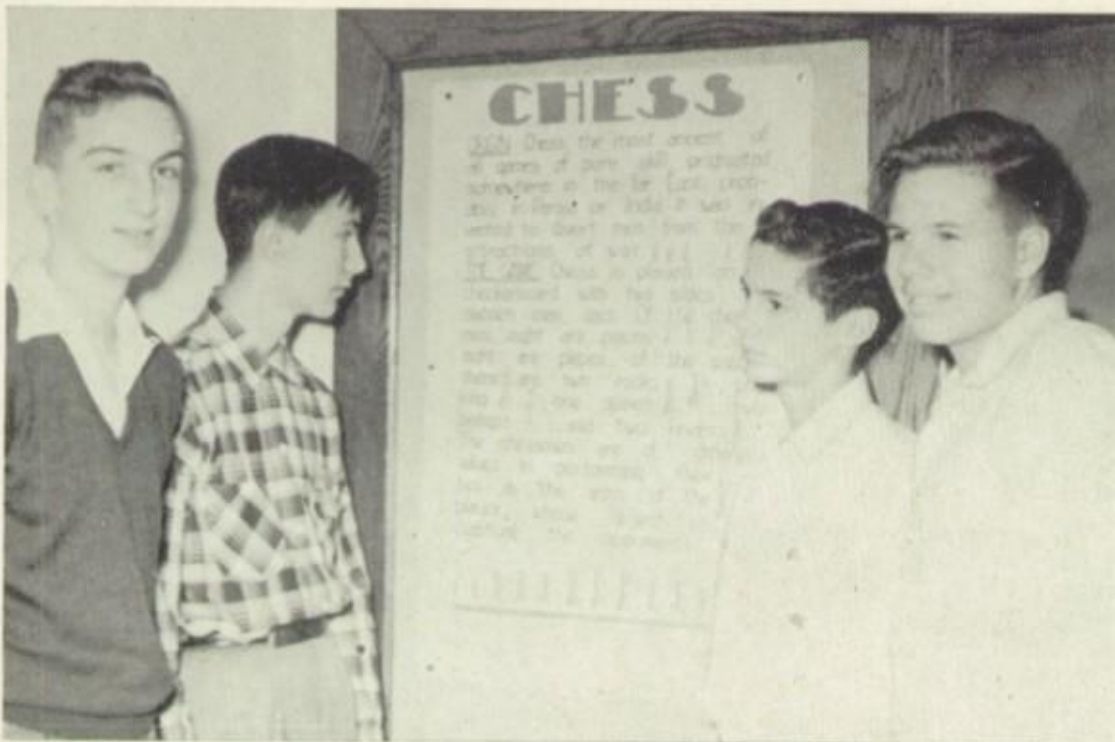

## Debate

**Officers.** TOP: Tom Merritt, I.C.C. Rep. SECOND ROW: Jerry Lipson, Recording Secretary; Marilyn Singer, Corresponding Secretary. BOTTOM: Jerry Lubitsky, President.

"It's better to debate a question without settling it, than to settle it without debate," says TAD's tiger. The members of Debate Club know this and at their meetings they discuss current events and a certain national topic sent to them annually by the National Debate Club. This club meets twice a month right after school in their advisor's room and from then on there are two sides to every question. These debates are conducted in an orderly manner which helps keep their views interesting. The Debate club helps its members by allowing them to express themselves freely and to get acquainted with problems which concern all of us. TAD's tiger can now say that he has learned to consider both sides to a question after attending Debate Club meetings.

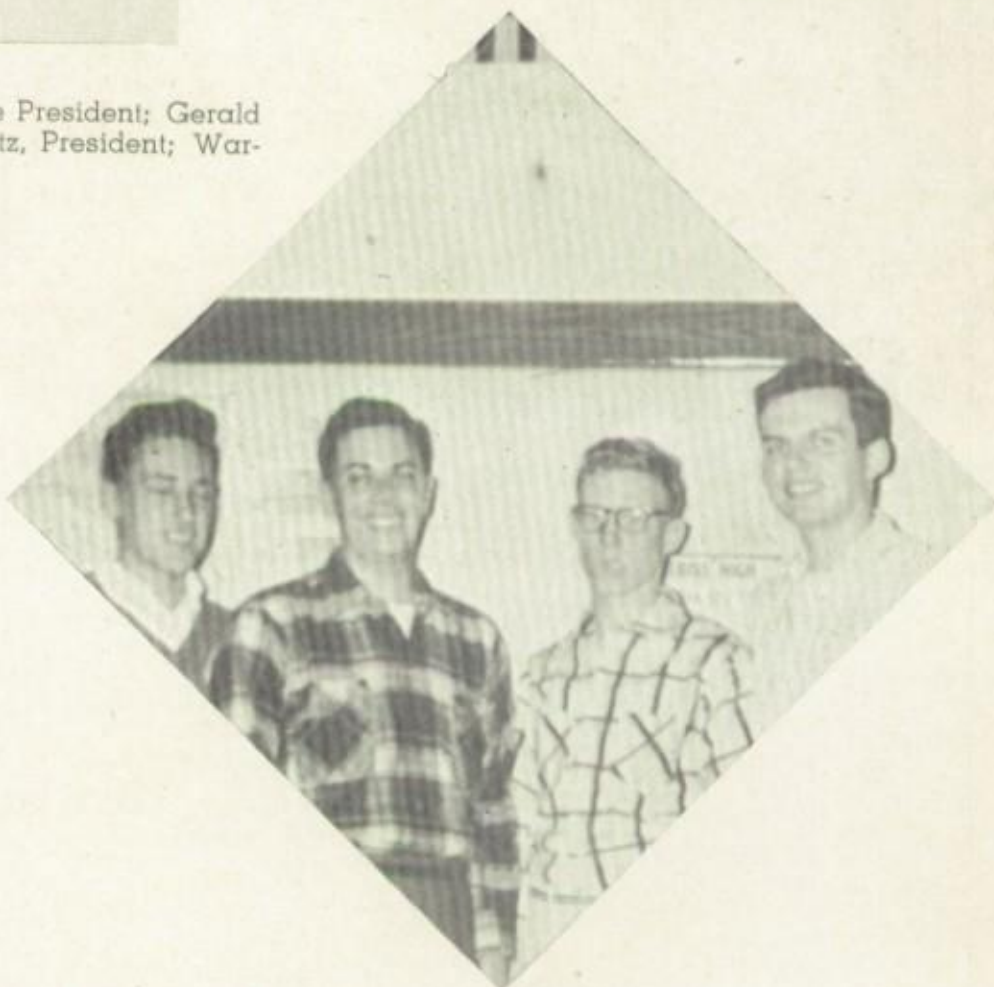

(L. to R.): Jim Morgan, David Wagner, Duane Ernst, and Mike Connett are studying the rules of chess.

**Officers:** Nelson Burnstein, Vice President; Gerald Lubitsky, I.C.C. Rep.; Tom Lentz, President; Warren McCandless, Secretary.

## Chess

"Checkmate marks the defeat of another chess player," says TAD's tiger. The DeVilbiss Chess Club was founded so that those who liked chess could share their interest and improve their game. The club also wishes to promote an interest in chess among DeVilbiss students. At regular meetings the members play chess with each other. The games are then recorded and the members are ranked according to their records. The DeVilbiss Chess Club is a member of the Toledo Area Chess League which is composed of eight Toledo area high schools which hold tournaments with one another. Recently, chess was declared an official extra-curricular activity by the Toledo High School principals. TAD's tiger is enthusiastic that so much interest is being shown in this ancient game.

**STANDING:** Larry Roth and Luther Lindner are watching Sam Solomon and Bob Guynn who are engrossed in a game of chess.

## Bowling

**Officers** (L. to R.): Barbie Champe, Treasurer; Sandy Swift, President; Bob Hurst, Vice President; Larry Schulz, Secretary; Mrs. McFarland, Adviser.

"Not the seven-ten split again!" laments TAD's tiger disgustedly looking at his score sheet. Familiar cries of woe like that can be heard whenever the DeVilbiss Bowling Club meets at the Colony Bowling Alleys. Promoting good sportsmanship and fair play are the main purposes of this recently organized club. The members of the organization enjoy learning the fundamentals and principles of bowling. They give and receive friendly criticism from other members of the club. TAD's tiger assures us that this type of relationship among the members helps tremendously to bolster morale and also some of those faltering scores.

**Officers, TOP ROW (L. to R.):** Claire Bame, Vice President; Miss Rose Bloom, Adviser; Jill Leach.  
**SECOND ROW:** Beryl Ravin, President; Don Kaminsky, I.C.C. Rep.; Laury Lipman, Treasurer.

## World Affairs

"War and Peace!" storms TAD's tiger, leaving a meeting of the World Affairs Club. The members of this club are bound to promote a better understanding of world problems for everyone. This year they engaged three speakers, two of whom were foreign, to come to DeVilbiss and help them with this project. During the year the members held a potluck dinner with a debate on world affairs as the topic for entertainment. The club, together with the Area World Affairs Council, planned a meeting at the University of Toledo in March at which thirty-five foreign spokesmen gave speeches. A European Council Model Assembly was also held at the University in April which was attended by every member of the DeVilbiss World Affairs Club. Any student at DeVilbiss with a "C" average or better in history may join this enthusiastic club.

## Engineering

**Officers,** (L. to R.): Joe Black, vice-president; Dave Severn, Secretary-Treasurer; Tom Whitney, I.C.C. Rep.; Miss Eva Samsen, Adviser; Peter Bauer, President.

"London Bridge is falling down," says TAD's tiger. "Some engineer made a mistake." It is no mistake, however, to be a member of the Engineering Society. This is a group of students interested in all phases of engineering. They have experiments, guest speakers, and discussions on various subjects pertaining to their future careers as engineers.

The members have also taken tours of major industries in and around Toledo. A "B" average in math and science is necessary for membership. TAD's tiger leaves their meeting mumbling, " $x$  plus  $y$  equals 4—that's engineering."

**Officers.** (L. to R.): Cy Yoakam, President; Ed Haffercamp, I.C.C. Rep.; Julian Haase, Secretary; Gary Felker, Vice President. **BOTTOM:** Charles Johnson, Treasurer; Miss Ursula Schmit, Adviser.

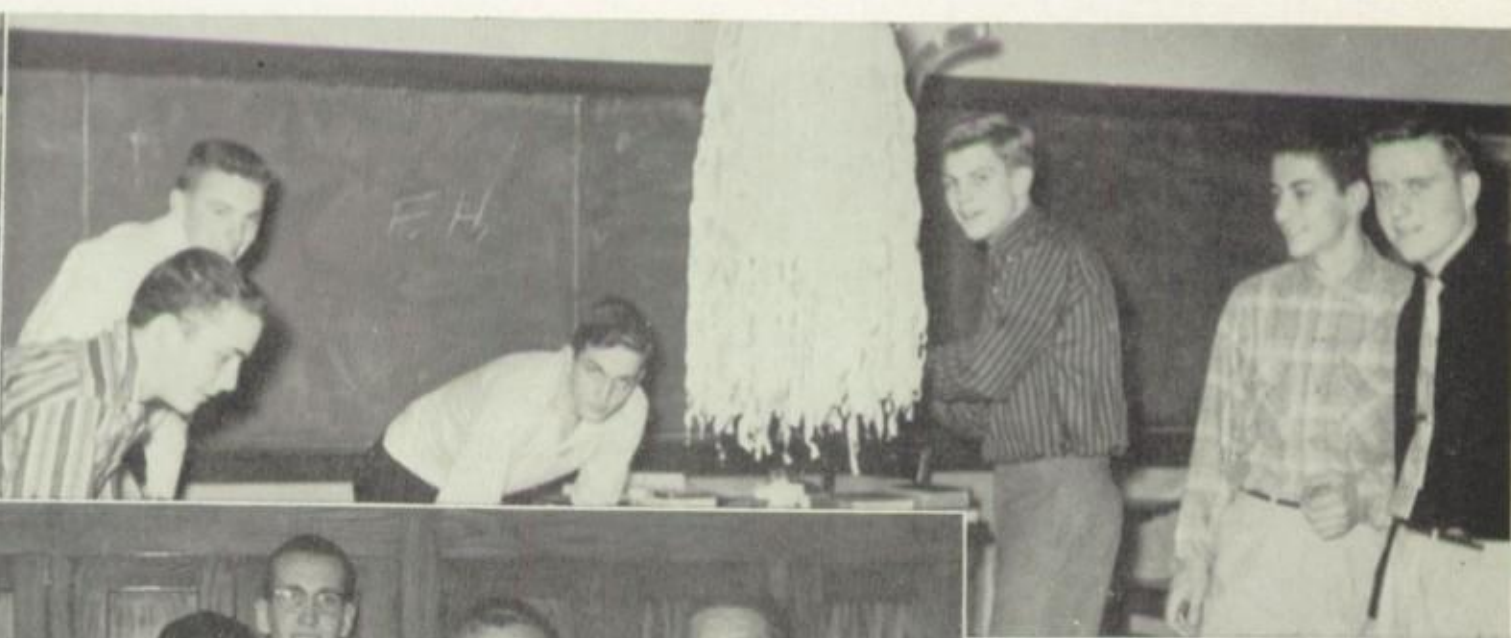

"Viva Mexico!" says TAD's tiger and with a cheerful "adios" this fine group of boys depart for their armchair trip south of the border. Los Gauchos is the newest Spanish club at DeVilbiss, but is well on its way to becoming quite popular. An interest in the Spanish-speaking countries is the only requirement for a passport. Los Gauchos sowed grass seed on the football field and had a bake sale. They also bought a movie screen for the Spanish department and delivered food to needy families on Christmas and Thanksgiving. The boys have more to offer such as growing knowledge of our southern neighbors. "Viva Los Gauchos!" says TAD's tiger.

## Charlemos

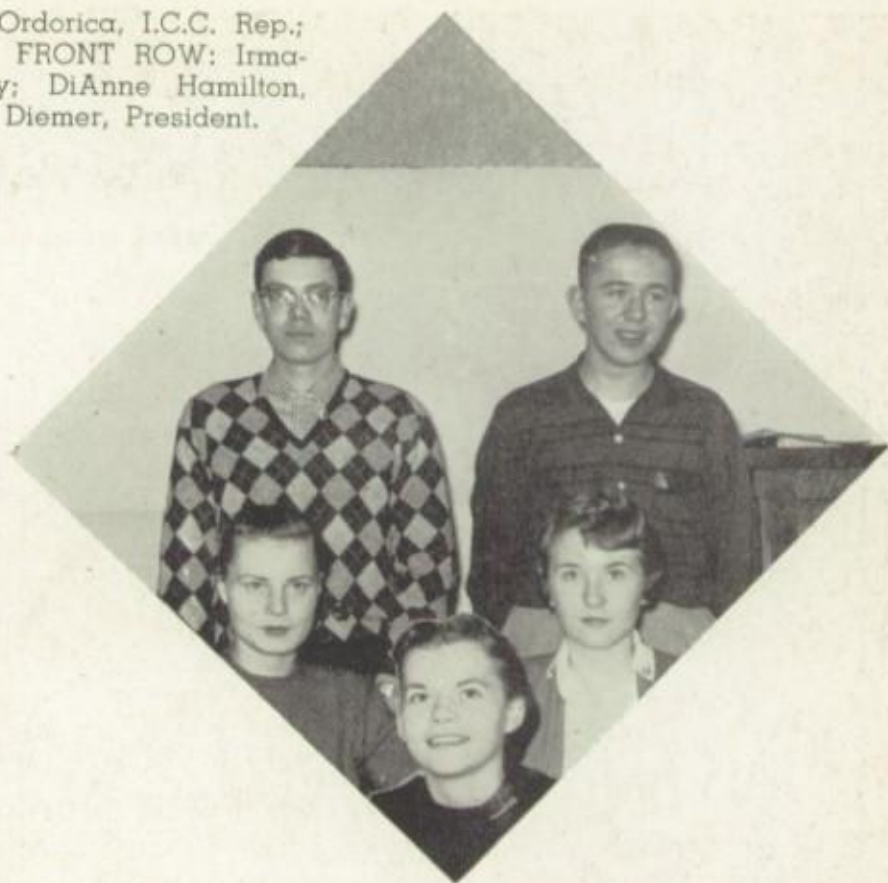

"Buenas Dias," "good day" is the greeting that TAD's tiger receives when he visits a meeting of Charlemos Spanish Club. Providing a basket for a needy family and also a scholarship for the University of Toledo highlighted their year of service. A card party and a bake sale were also on the agenda. TAD's tiger certainly has a difficult time understanding what is said when he drops in on this club since all formal inductions are conducted entirely in Spanish. A student must have completed either one year of Spanish or one semester with an "A" average to qualify for membership. Every meeting is opened with the Lord's Prayer recited in Spanish. TAD's tiger proudly admits that this club certainly helps its members to better understand their Latin American neighbors.

## Der Deutsche Verein

The German proverb, "Die Zeit hat Fluge," "time has wings" certainly proves true for Der Deutsche Verein. This industrious club conducts its meetings entirely in German. A Christmas party with the Woodward German Club, movies, speakers, and a picnic were major events this year. TAD's tiger often wondered what was taking place in the library during the Christmas season those late evening hours. When it was announced that Der Deutsche Verein won third prize for its Christmas decorations, his question was answered. This club meets twice a month at which gay, seasonal German music is sung and the Club's own orchestra accompanies. TAD's tiger agrees that time certainly is flying for this club.

"South of the border, down Mexico way," sings TAD's tiger after leaving a La Alianza meeting. The activities of this club center around giving its members a better understanding of their Latin American neighbors. Their meetings and inductions are conducted entirely in Spanish which adds authenticity to them. The club projects this year have consisted of giving student reports, viewing Spanish films and travelogues, and at Christmastime feeding, clothing, and presenting toys to a needy Mexican family. La Alianza has also listened to talks on the customs of Spain and have seen slides concerning the country. Their social activities included seeing the Carmen Amaya Dance Concert and having a pot luck supper. TAD's tiger is glad there are clubs such as La Alianza that tend to further the understanding of foreign countries.

"On stage," shouts TAD's tiger and the members of the Dramatics Club scramble to the stage for the reading of another play. This year our future actors and actresses found themselves in the midst of many activities. They visited the Repertoire Theater and saw many exciting plays. Some of the members even participated in the "Rep" workshops. One of their most important projects was a play which they gave in May for the student body. On the lighter side of their activities, TAD's tiger found them enjoying the fun and frolic of the Christmas holidays at a party in one of the member's homes. Another project in which each member felt a great deal of pride was giving a delicious basket of food to a needy family. With such a variety of activities completed, TAD's tiger can conclude that it has been a very successful year for the club.

"From Bach to Boogie and back again," says TAD's tiger in describing the interests of Sharps and Flats. This year the members organized a musical troupe that traveled to orphanages and other various institutions in Toledo. From these trips the members gained a great deal of musical experience that will help them in their future careers. Among other activities, TAD's tiger found them at Toledo Hospital caroling during Christmas and giving a tea for their parents in May. To balance their educational program the members had much fun at a Halloween party, a scavenger hunt and going to see Holiday on Ice. Everyone is looking forward to next year when they can again have another prosperous year promoting musical interest and gaining the ability to appreciate good music.

"Going, going, gone", says TAD's tiger. This same phrase is spoken many times when the boys in Stamp and Coin Club get together at their auctions during the year. With this very interesting and educational hobby the boys have spent many enjoyable times while promoting interest for all. Every first and third Wednesday of each month talks are given by members and the advisers of the club. These talks include the display of exhibits and the showing of slides. Their two main projects were an exhibit of Christmas seals in the library and sending stamps to wounded veterans in hospitals. Auctions, trading sessions and a club library completed their full schedule. TAD's tiger says, "Start a collection of stamps and coins and join this club."

The stamps are being auctioned to the highest bidder!

"We ride tonight," exclaims TAD's tiger. This year has been an especially busy one for Equestriennes. Besides riding at the Douglas Meadow's Stables, the members hear talks on the care of horses. They also had a treasure hunt on horseback which TAD's tiger thought was one of the most hilarious events he had ever attended. During the holiday season, Equestriennes gave its annual Thanksgiving basket to a needy family. The club's social activities included a Christmas party at the stables and a jitney supper. Winding up this year was their horse show in the spring. TAD's tiger is glad that there are athletic clubs such as this one, because they stress one of the most important attitudes—sportsmanship.

This year Future Nurses have been getting their instruction at Mercy Hospital where they take turns being nurse's aids. The purpose of the girls is to help the sick and the needy by doing things for them. At Christmastime they collected old clothes for the people at the Toledo State Hospital. They also made favors for the old folks at the Marigard Home and the Colonial Rest Home. Their money making project for this year was a bake sale.

"An apple for the teacher," says TAD's tiger of DeVilbiss' Future Teachers. To obtain a better understanding of teaching, the girls hold panel discussions to study the traits and qualities of a good teacher. They also visit elementary schools to observe the way the teachers handle their classes. Other trips included going to the Northwestern Ohio Conference and the Future Teachers' Conference at Columbus. Their other activities ranged from ushering at B.I.E. Day, splash parties, and picnics to an alumni tea. It was at this tea that Miss Pasch, their adviser, presented them with their own gavel. TAD's tiger is glad that Future Teachers is such a successful club because teachers are so important to the welfare of the country.

"You'll see stars if you're a member of this club," says TAD's tiger. For seeing these stars, the Astronomy Club is busy at work building their own telescope. This project is being financed by the saving of tax stamps. In the meantime, their viewing of the heavens is done with the Toledo Astronomical Society in the observatory at Toledo University. The club meets once a month with the society and once a month with its own members. At these last meetings reports, demonstrations, and projects that have been completed are presented. On the social agenda, the club has held a picnic and a star-gazing party. After leaving an Astronomy Club meeting, TAD's tiger feels like shouting, "All aboard, next stop Mars".

TAD's tiger says, "These are really 'Stout Hearted Men!'" Although the club is only a little over three years old, it already holds a 'key' position among DeVilbiss clubs. Key Club has based its organization on helping the community and school by trying to help its members to mature into responsible citizens. They started out the school year with a project to help the Freshman by placing maps of the school around the halls and in Freshman home-rooms, and also by passing out folders telling when and where to sign up for various school activities. Their second big project was a vocations' day for DeVilbiss and Whitmer seniors. They also cleaned up the courts as one of their semi-annual projects. Aside from their program they have carried out numerous social projects to help bring the members closer together. These projects have included athletic contests with other clubs, hayrides, splash parties, and picnics. TAD's tiger is proud of all the help this club has rendered his school.

On February twenty-first, the Inter-Club Council held a dance in honor of George Washington's birthday. Sue Solomon, Social Chairman of I.C.C., aided by her various committees, took charge of and prepared the "Presidential Ball" at Ashland Hall. Buss Widmer's band played. The highlight of the dance was

the inauguration of the President and First Lady. The couples at the dance elected Mike Wahl and Carole Goodwin for this honor. Carole was presented with a bouquet of red and white carnations. Then she and Mike led the Grand March. TAD's tiger congratulates the I.C.C. on a fine dance!

# Athletics

When TAD's tiger looked into the varsity locker room at the end of a day and saw the array of sporting equipment, he began to think of the importance of athletics at DeVilbiss. To the athletes themselves, he knew that it meant many hours of work and practice, the fun of participating in competition, and the reward of creating lasting friendships. To the student body, athletics is the uniting force for school spirit and the pattern for sportsmanlike behavior. High standards are important to the team as they play throughout the city, for they reflect and represent DeVilbiss. Our teams try to keep these standards of sportsmanlike behavior at all times, whether in school or in the community. For these reasons TAD's tiger is proud of our athletic teams and the part they play in school life.

Tiger defenders break up a Libbey pass play.

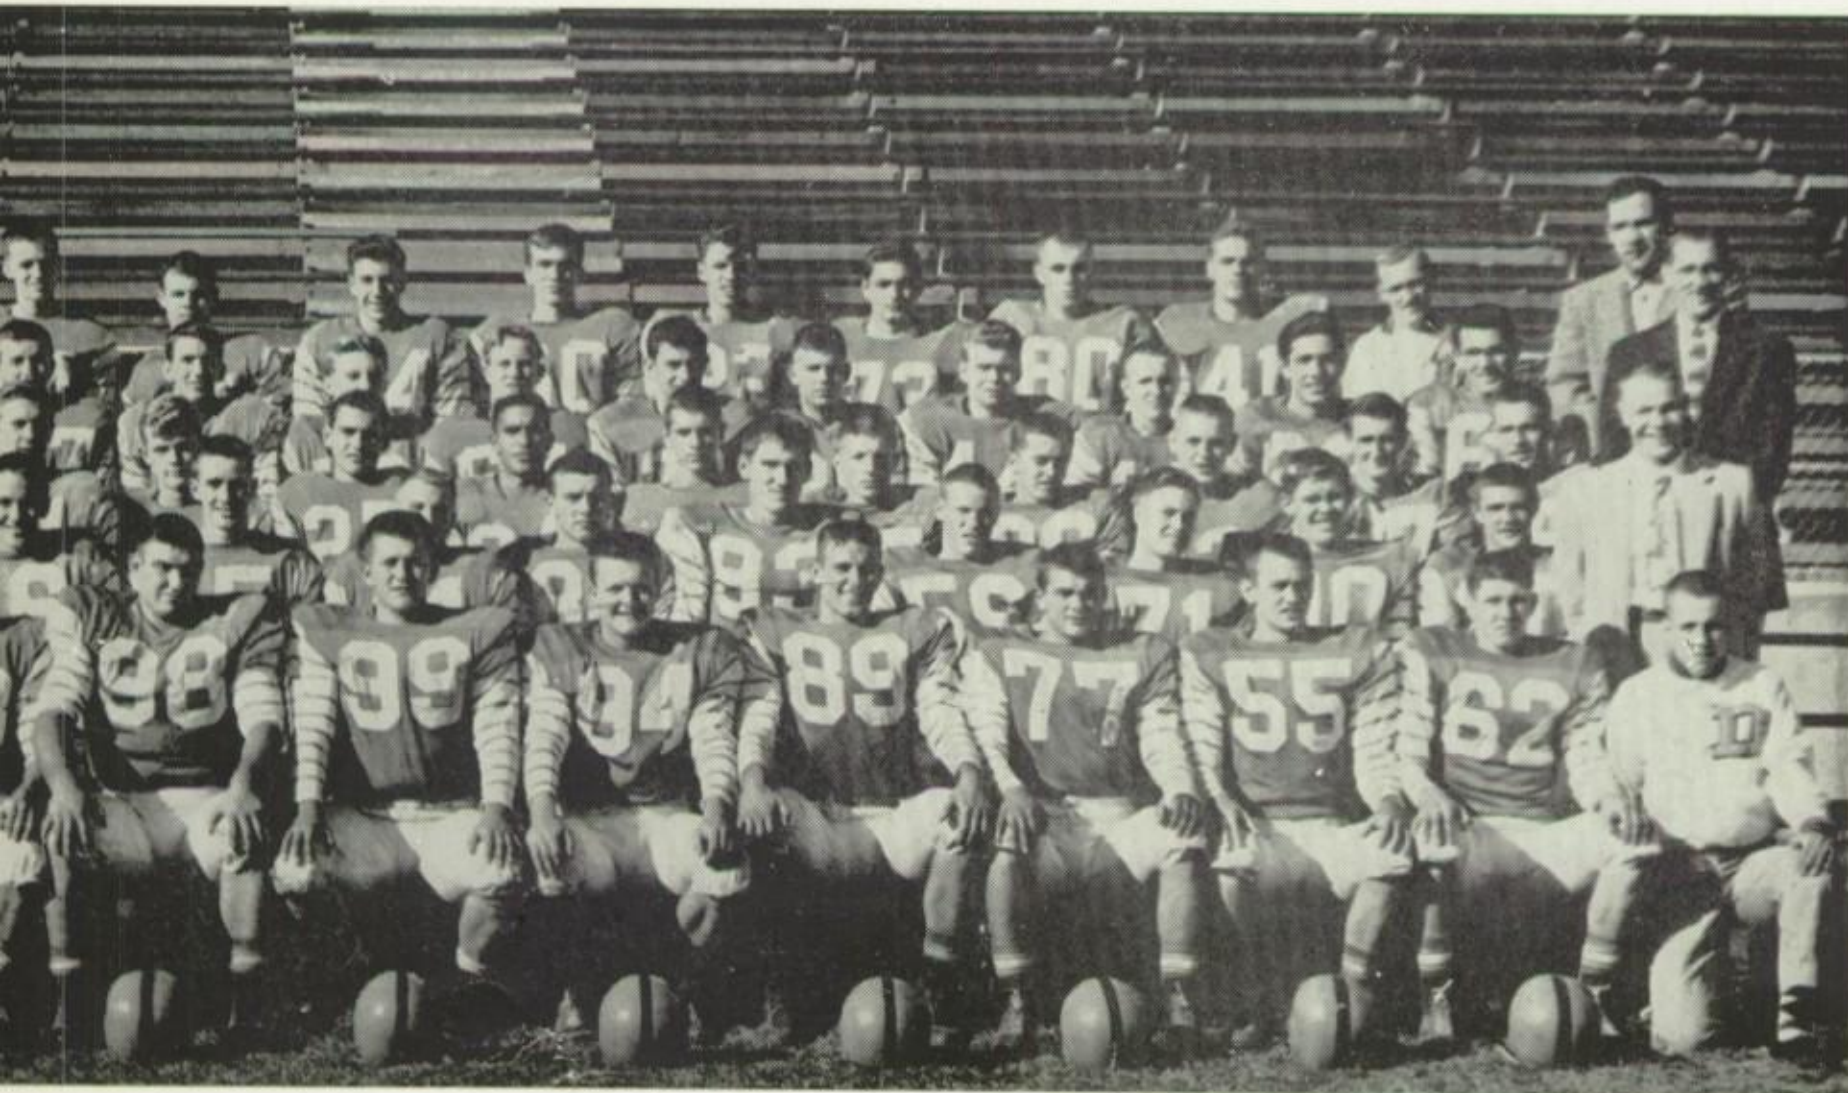

September 15, will long be remembered by followers of DeVilbiss football, for it was on this night that our Tigers suffered their first defeat in three years and ended a phenomenal winning streak of eighteen in a row. This loss to St. Edwards of Cleveland was not as demoralizing to the team as expected, as they bounced back to take successive wins from Macomber, Dayton Fairview, and Scott. The Bengal's Homecoming game did not turn out as most Tiger fans would have liked it to. A strong DeVilbiss eleven lost to a stronger Central squad 6-0. They then dropped a game to the future City-Champs from Waite 13-7. A spirited 7-0 win over Lima was next on their schedule and put them back on the winning trail. Double triumphs over Cleveland Shaw 21-14, and Charleston 16-6 added to the Tiger's already high state ranking. In the Thanksgiving game played under very adverse conditions, the Tigers held Libbey to a scoreless tie. Ron McDole and Reid Bushong were outstanding in the backfield while Tom Markwood and Tony Mears did a stalwart job on the line throughout the year. With Juniors such as Fred Henning, Dave Bernard, and Tom English back on next year's squad, the Tigers hope to regain a fourth City-Championship in five years.

In overall competition, the Tigers finished with a ten-eight record. In the city they posted double wins over Waite, Libbey and Woodward. They also split with Central and Scott, but dropped two games to Macomber. Led by junior Buzz Mewhort, who averaged over twenty-four points and nearly

twenty rebounds per game, the Bengals won their first tournament game against Rogers, but dropped their second to Scott. Buzz was an All-City and honorable mention All-State selection, while captain Jim Holliday, who averaged nearly ten points per game, was honorable mention All-City. DeVilbiss was well represented in bowling as the American League quintet won first place in the Downtown High School Conference. The DeVilbiss American team also represented the Toledo Area in the Ohio High School bowling tournament. They finished the season with 47 wins and 7 losses, and rolled the third high single game with a 992. Captain Tom Haverfield, 155, also served as the President of the League. Other members of the team included: Tom Owens, 158, David Barkenquest, 160, Jim Utz, 155, Greg Fehn, 165, and substitute Dave Severn, 160. The National League team did not fare as well, finishing with 23-31 record, but they did manage to roll the high single game of 943. Team members with their averages were: Captain Ron Schultz, 145, Tom English, 143, Tom Baker, 140, Bob Anteau, 135, and John Utz, 130, and substitute Don Anstead, 210.

## Baseball

"The players show much enthusiasm, determination, and interest," said Mr. Kies. Commenting on the team at the start of the season, those were the words of praise head coach Mr. Kies gave his team. DeVilbiss' starting nine was predominantly a young team with only three seniors in the lineup. Starting the season with all the fire and pep of a young, rugged ball club, the boys won four of their first five games. With pitchers like Phil Buell, Dave Cobb, and Bob Polyosko, DeVilbiss had more than enough "bench strength" for those close games. On May 4, behind the five hit pitching of Phil Buell, the Tigers blanked Macomber 2-0 to capture the sectional championship. On Monday, May 14, the Bengals dropped previously unbeaten Anthony Wayne by a decisive 3-0 score to become the new Class A District Champions.

**Dick Friedmar** strikes a classic pose in the broad jump.

The DeVilbiss thinclads looked very impressive as they started out the season by downing Waite 66-52. Many of Coach Dave Hardy's best men set a precedent in this meet by finishing first in their event. Dan Kwiatkowski and Dick Friedmar were consistent during the season usually finishing first and second in the low hurdles. The Tigers were not poor

in any event and usually placed one or more men in the first three places. John Dresser and John Geisler were Mr. Hardy's starters in the hundred-yard dash. Russ Waggoner was only one of many on the squad who participated in more than one event. He was one of the top pole vaulters and also a high jumper. In the annual Night Relays a fairly strong DeVilbiss

squad was nosed out in the final four or five events and had to settle for a fourth place. One bright point in the meet was a new meet record in the shuttle-hurdle relay of 43.1 seconds set by the team of Waggoner, Friedmar, Kwiatkowski, and Geisler. Coach Hardy looks for a better showing in this year's Night Relays as many juniors were on last year's squad.

## Golf

Although handicapped by the elements, DeVilbiss' golf team managed to play eight meets. The Tiger linksmen sported a 4-4 over-all record, with four wins and two losses coming in city league play. The squad finished the city schedule in third place. Coach Don Black awarded the following letters: Captain Dick Alexander, Dick Coffin, Bob Fleming, John Nolan, and Don Pollard, all seniors. Harmon Miller and Karl Huls, then sophomores, and Bernie Garber also received varsity "D's". The Tiger squad started their season by losing to Lima 10½ to 5½, but got into the victory column against Waite and Libbey, 20-4 and 12-7. They then beat Scott by 19-5 and shut out Woodward 24-0. The linksmen finished their season with 14-10 losses to Central and Macomber.

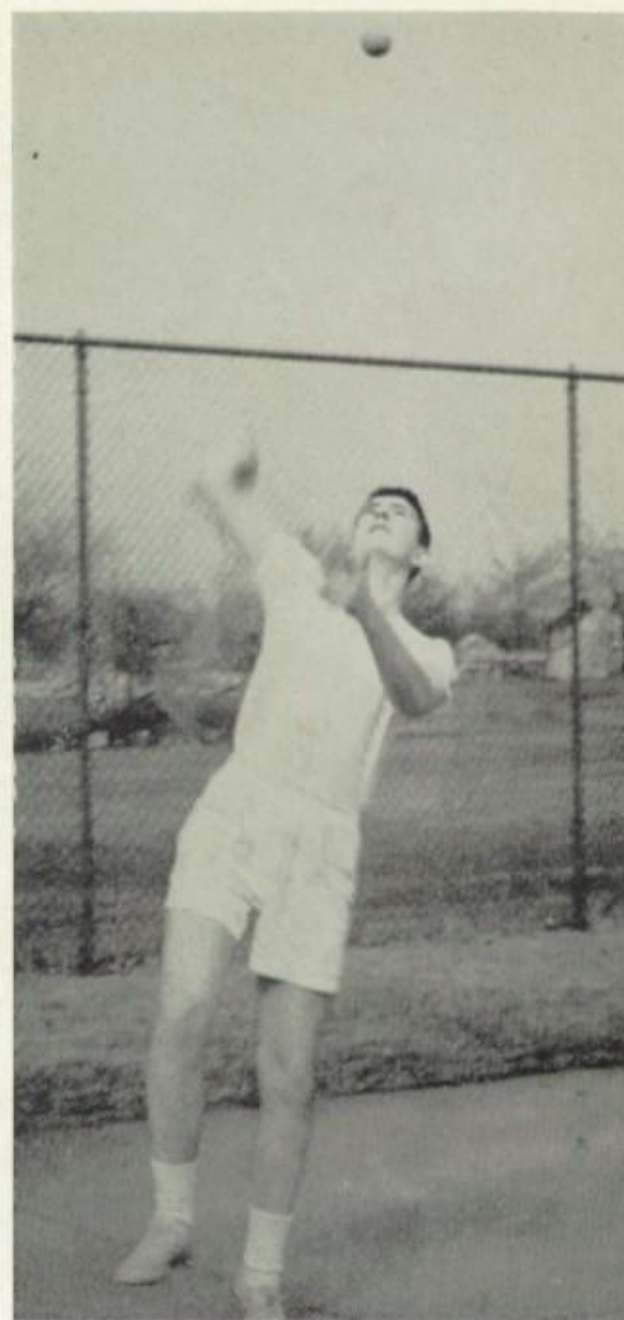

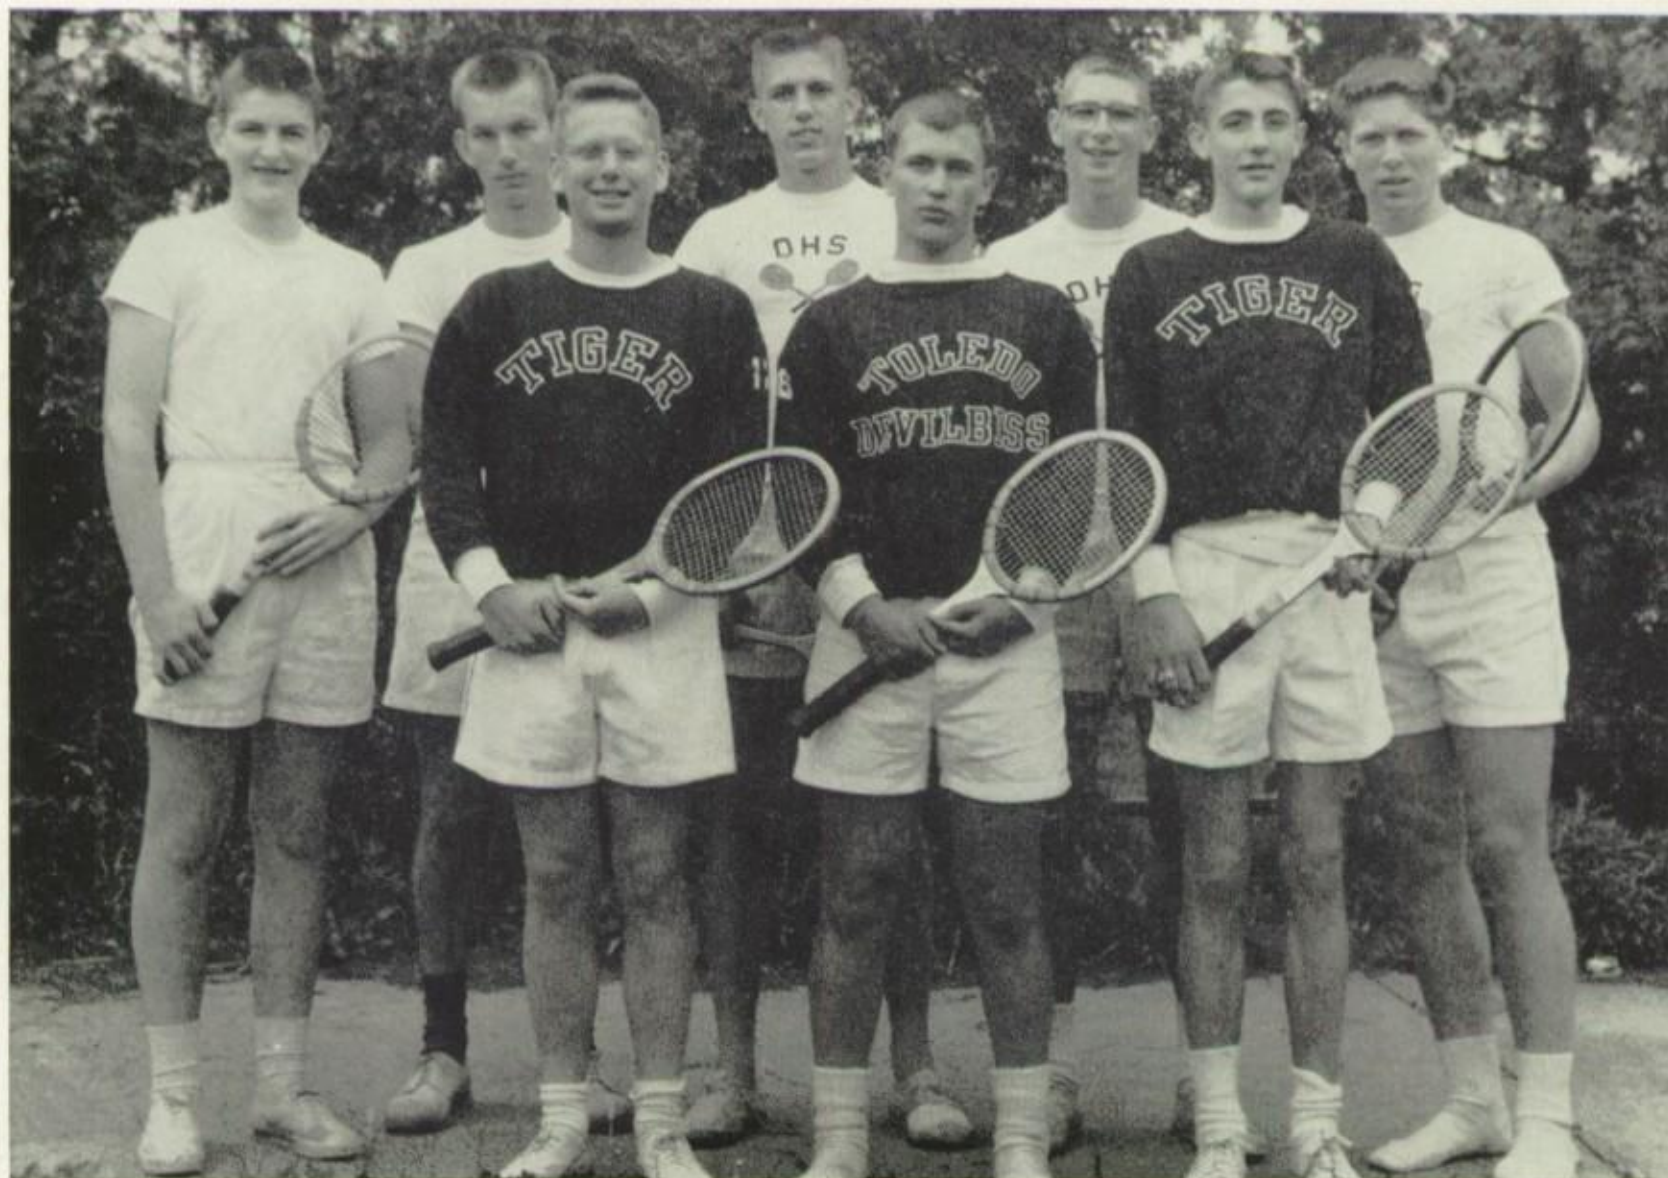

DeVilbiss' 1956 tennis squad, under the fine coaching of Bob Longley successfully annexed the city league title. In city competition this year, the Bengals swept past Scott, Libbey, Macomber, Woodward, Waite, and Central's tennis teams. In all these matches, the Tigers lost only one set for a 29-1 complete record in city league play. Outside the city they defeated Adrian 4-3, Findlay 6-1, and were defeated by Hamtramck High out of Detroit, Michigan. Several members of the squad competed in the district finals at Bowling Green and the state finals at Ohio State University in Columbus. In the district the doubles team of Holliday and Markwood went to the semi-finals before losing to the runners-up in the State. John Wiley advanced to the quarter-finals before dropping a close match to the future state champion.

At other times they enjoy softball, field hockey, and volleyball. The two winning teams of the basketball tournament held their play-off in the boys' gym for the entertainment of the whole school.

G.A.S. holds three business meetings a year at which they plan special projects. They held a Freshman Round to introduce girls to the club, a hayride, a Parents' Night, and a Senior Banquet to bring the year to an end.

Action in the girls' gym includes strenuous volleyball games.

## THE "GOOD OLD DAYS"

You've heard folks say, "Take me back to the good old days"! Well, if they're referring to the horse and buggy and kerosene lamps—they can have those days. If they're thinking of taffy-pulling parties and two-bit haircuts — they may have something worth talking about.

But when it comes to the advantages of our modern school architecture, we know that many of today's buildings are tops! You see, more and more school boards are paying careful attention to daylight and view—with clear glass in classrooms from sill to ceiling. Taxpayers like Daylight Walls, too. They are economical to build and to maintain. And when windows are of **Thermopane** insulating glass heating costs are lowered and rooms are quieter.

**Tuf-flex** tempered glass is used on school elevations next to playgrounds and in gymnasium windows. It is heat-strengthened to withstand three to five times more impact than regular plate glass of the same thickness.

### Thermopane Insulating Glass

When reflecting upon the many advantages of this glass age we live in, we think you'll agree that the good new days are better!
